OFFICE OF LEGISLATIVE COUNSEL

Monday - 12 February 1968

25X1 1. [REDACTED] advised that Walter Moreland of GSA had a query from James Guirard, in the office of Representative Edwin Willis, as to possible early termination of a lease. Apparently no particular event occasioned the call and Moreland advised that at the present time there were no plans for earlier termination which was scheduled for 2 November. [REDACTED]

25X1

25X1 3. [REDACTED] Jay Sourwine, Senate Internal Security Subcommittee staff, called wishing as soon as possible a copy of the text of a new confession by Captain Bucher which is being put out by the North Koreans. I indicated we would get right on it and be back in touch.

25X1 4. [REDACTED] Handcarried to Donald O'Donnell, Senate Permanent Investigations Committee staff, the Director's response to Senator McClellan's request for updated information on the threat to the U.S. fleet. On the basis of a quick review, O'Donnell said this appeared to serve their purposes nicely and expressed their appreciation.
